

321A.3 Abstract of operating record — fees to be charged and disposition of fees.

1. The department shall upon request furnish any person a certified abstract of the operating record of a person subject to [chapter 321](#) or [321J](#), or [this chapter](#). The abstract shall also fully designate the motor vehicles, if any, registered in the name of the person. If there is no record of a conviction of the person having violated any law relating to the operation of a motor vehicle or of any injury or damage caused by the person, the department shall so certify. A fee of five dollars and fifty cents shall be paid for each abstract except for abstracts requested by state, county, or city officials, court officials, public transit officials, or other officials of a political subdivision of the state or a nonprofit charitable organization described in section 501(c)(3) of the Internal Revenue Code. Except for any additional access fee collected under [subsection 7](#), the department shall transfer the moneys collected under [this section](#) to the treasurer of state who shall credit to the general fund all moneys collected. If a fee established in [this subsection](#) is collected by the office of the chief information officer, created in [section 8B.2](#), for a record furnished through an electronic portal maintained by the office of the chief information officer, the office of the chief information officer shall transfer the moneys collected under [this subsection](#) to the treasurer of state who shall credit the moneys to the general fund.

2. A sheriff may provide an abstract of the operating record of a person to the person or an individual authorized by the person. The sheriff shall charge a fee of five dollars and fifty cents for each abstract which the sheriff shall transfer to the department quarterly. The sheriff may charge an additional fee sufficient to cover costs incurred by the sheriff in producing the abstract.

3. The abstracts are not admissible as evidence in an action for damages or criminal proceedings arising out of a motor vehicle accident.

4. The abstract of operating record provided under [this section](#) shall designate which speeding violations occurring on or after July 1, 1986, but before May 12, 1987, are for violations of ten miles per hour or less over the legal speed limit in speed zones that have a legal speed limit greater than thirty-five miles per hour. For speeding violations occurring on or after May 12, 1987, the abstract provided under [this section](#) shall designate which speeding violations are for ten miles per hour or less over the legal speed limit in speed zones that have a legal speed limit equal to or greater than thirty-five miles per hour but not greater than fifty-five miles per hour.

5. The department shall not require a fee for a person to view their own operating record.

6. Fees under [subsection 1](#) may be paid by credit cards, as defined in [section 537.1301](#), [subsection 17](#), approved for that purpose by the department of transportation. The department shall enter into agreements with financial institutions extending credit through the use of credit cards to ensure payment of the fees. The department shall adopt rules pursuant to [chapter 17A](#) to implement the provisions of [this subsection](#).

7. Notwithstanding [chapter 22](#) or any other law of this state, except as provided in [subsection 5](#), the department shall not make available a certified operating record in a manner which would result in a fee of less than that provided under [subsection 1](#). Should the department make available certified copies of abstracts of operating records on magnetic tape or on disk or through electronic data transfer, the five dollar and fifty cent fee under [subsection 1](#) applies to each abstract supplied, and an additional access fee may be charged for each abstract supplied through electronic data transfer.

8. a. (1) A person who purchases a certified abstract of an operating record directly from the department under [this section](#) shall only use, sell, disclose, or distribute the abstract or any portion of the abstract one time, for one purpose, and the person shall not supply that abstract or any portion of that abstract to more than one other person. The person shall make a subsequent request for the abstract and pay an additional fee for the request in the same manner as provided for the initial request for any subsequent use, sale, disclosure, or distribution of the same certified abstract or any portion of the abstract or to supply the same certified abstract or any portion of the abstract to another person, except as provided in subparagraph (2).

(2) Notwithstanding the limitation on use, sale, disclosure, and distribution of a certified

abstract under subparagraph (1), a person who purchases a certified abstract under [this section](#) may provide a copy of the previously purchased certified abstract to the person who is an insurer who was originally supplied the certified abstract by the person who purchased the certified abstract.

b. A person who is supplied a certified abstract or any portion of the abstract by a person who purchases the certified abstract under paragraph “a” shall only use the abstract one time, for one purpose, and shall not reuse, sell, disclose, or distribute the abstract or any portion of the abstract except as provided in paragraph “c”.

c. A person who is an insurer or an insurance producer licensed under [chapter 522B](#) who purchases a certified abstract under [this section](#) or a person who is supplied a certified abstract or any portion of the abstract pursuant to paragraph “b” may use the certified abstract pursuant to this paragraph “c” for more than one use for the following purposes:

(1) To provide a copy to a consumer with respect to a specific decision impacting the consumer and made in whole or in part based upon information contained in the certified abstract, as defined by rule of the department.

(2) Internal auditing purposes, or similar internal purposes as defined by rule of the department.

(3) Internal purposes in a manner consistent with the federal Driver’s Privacy Protection Act, 18 U.S.C. §2721 – 2725, by a person who is an insurer.

(4) To show compliance with the retention requirements imposed under [this section](#) or other applicable law.

(5) By an insurer, to provide a copy to an insurance producer licensed under [chapter 522B](#) and appointed by the insurer for purposes of a specific application for coverage. However, a producer who is provided a certified abstract pursuant to this subparagraph shall not reuse, sell, disclose, or distribute the abstract with respect to any transaction not associated with the insurer who appointed the producer.

(6) To provide a copy to an insurer for purposes of a specific application for coverage if the person requesting the certified abstract is an insurance producer licensed under [chapter 522B](#) and appointed by the insurer for purposes of the specific application for coverage.

(7) To provide a copy, for the purpose of a specific application for coverage or for a purpose as provided under subparagraphs (1) through (4), to an affiliate of the person who is an insurer who originally purchased or was supplied the certified abstract. An affiliate who receives a copy of a certified abstract pursuant to this subparagraph shall only use the copy of the abstract one time and shall not reuse, sell, disclose, or distribute the copy to any other person, except as provided under subparagraphs (1) through (5) in the same manner as permitted for a person who is an insurer.

d. For purposes of [this subsection](#), “affiliate” means an insurer who directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with the person who is an insurer.

e. A person who purchases a certified abstract directly from the department pursuant to [this section](#) shall keep records for a period of five years identifying the persons to whom the abstract is provided and the use of the abstract. Records maintained pursuant to [this subsection](#) shall be made available to the department upon request. A person who is otherwise supplied a certified abstract and who then provides that abstract to another person for a purpose other than the purposes identified under paragraph “c” shall also be subject to the recordkeeping requirements under this paragraph.

f. A person shall not use, sell, disclose, or distribute any abstract information or portion of the abstract information acquired under [this section](#) except as authorized by [this section](#) and any applicable rules of the department. Nothing in [this section](#) shall be construed to authorize the use, sale, disclosure, or distribution of personal information, protected personal information, or highly protected personal information as prohibited under [section 321.11](#) or the federal Driver’s Privacy Protection Act, 18 U.S.C. §2721 – 2725.
